

## H 28-MLS POWER HAMMER DRILL

**Very powerful hammer drill with active vibration dampening. Ideal for series drilling.**

Standard Drill Chuck

**In a case with exchangeable standard drill chucks, as well as three high-quality Quadro SDS hammer drill bits Art. No. 5708 204 1**

**Extremely fast drilling progress**

**Low-vibration**

Due to the minimal vibrations, the machine can be worked with for a very long time without causing fatigue.

**Exchangeable chuck – Two-in-one**

Many different usage options. The machine can be converted from SDS to standard drill chuck in just a few short steps.

**Multi-purpose**

The machine's chisel function allows it to be used as a chisel for correction work as well.

**Ball cable bushing on power cable**

Prevents cable breakage, one of the most common causes of corded tool failure.

**3-year guarantee**

On manufacturing and material defects.

Scope of delivery		
Designation	Art. No.	P. Qty.
H 28-MLS Power Hammer Drill	–	
Additional Handle	<b>5808 203 100</b>	
SDS-Plus Mounting	<b>0708 543 076</b>	
Standard Drill Chuck	<b>0702 226 001</b>	
Longlife Quadro-L 6 x 120 mm Hammer Drill	<b>0648 006 016</b>	1
Longlife Quadro-L 8 x 120 mm Hammer Drill	<b>0648 008 016</b>	
Longlife Quadro-L 10 x 120 mm Hammer Drill	<b>0648 010 016</b>	
Case Insert	<b>5808 203 995</b>	
ORSYBull Empty Case	<b>0955 330 0</b>	

Technical Data	
Voltage	230 volt
Protection class	□
Rated consumption capacity	850 W
Nominal speed	0 – 1,300 rpm
No. of impacts at nominal speed	0 – 4,000 rpm
Indiv. impact strength	3.2 Joule
Tool Mount	SDS-plus
Weight	3.1 kg
Cable length	4 m

Application	
Drilling in concrete and stone up to dia.	4 – 28 mm
Optimum drilling performance in the dia. range	6 – 18 mm
Max. hollow drill bits in masonry	68 mm
Chisel function	Yes
Adjustable chisel position	Yes
Exchangeable chuck	Yes
Clockwise or counterclockwise running	Yes
Impact stop for normal drilling	Yes
Throttle switch	Yes
Lock button for continuous operation	Yes

**Materials to be processed:**

concrete, masonry, wood, metal

**Available in the fleet management system ORSY® fleet.**
