

Preventive

Vehicle bulb storage systems

The vehicle bulb storage systems offer you a clearly-laid-out storage option for automobile bulbs and make your everyday work easier. A few seconds are all it takes to have the right bulb in hand.

Your advantages at a glance:

- Clearly-laid-out storage of your vehicle bulbs
- Transparent Plexiglas protects the vehicle bulbs from dust
- Ideal for storage in sales rooms and workshops

Vehicle Bulb Display

Silver

- Integrated bulb tester (incl. 9 V block battery)
- Wall mounting
- Individual outfitting with up to 170 bulbs possible

Dimensions (L x W x H):
688 x 630 x 100 mm
