Version	Art. No.	P. Qty.
Flip-signs, universal	0812 44 205	1

ADR Flip Sign

with exchangeable plates

- Product includes:
 - **rigid black base sign.**
 - **Two plate holders:** secured to the base sign via turning locks. Thanks to the turning locks, the plate holders can also be secured backward. This makes it possible to cover the plates without a load.
 - **27-piece plate set:** all possible hazardous material numbers can be displayed.
 - **Retainer and mounting hardware.**
- Reflective material: type I (fluorescent).
- Color: orange.
- Material: steel.
- Dimensions: 400 x 300 mm (length x width).
- Metal thickness: 1.2 mm.
