Printed in several colors or with raised printing.

Art.-No. 0826 964

## Best-selling quick-action license plate holder in Germany.

An inexpensive changing of the strip is often all that is required. Strips available separately.

## Rugged design.

Continual advertisement thanks to high stability and long service life. Corresponds to EU guideline (EWG 74/483).

## Base plate available in special lengths 460 and 490 mm.

Advertisement strips are compatible and thus fit on all base plates (460, 490 and 520 mm).

## Also available as a "starter kit".

100 pieces, printed in one-color incl. film creation, silkscreen printing and pliers at an especially attractive price.

Designation	Art. No.	P. Qty.
