

CIRCO, Curved Quick-Action License Plate Holder

Printed in several colors or with raised printing.

- ▶ Heavily-curved version.

Your advantage:

Fits round vehicle contours very well.

- ▶ Rugged design.

Your advantage:

Continual advertisement thanks to high stability and long service life. Corresponds to EU guideline (EWG 74/483).

- ▶ CIRCO is a modified "Classic" license plate holder.

Your advantage:

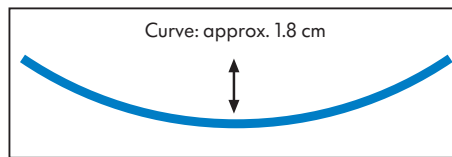

Advertisement strips are compatible and thus fit on all base plates (460, 490 and 520 mm).

- ▶ Also available as a "starter kit".

Your advantage:

100 pieces, printed in one color incl. film creation, silkscreen printing and pliers at an especially attractive price.
