

EASY-TO-CLEAN FLOOR CLEANER

Multifunctional mop care for manual and machine floor cleaning and care.

Designation	Contents	Art. No.	P. Qty.
Floor Cleaner	1000 ml	0893 117 205	1/12
	10 l	0893 117 210	1
Top Dos	-	0892 117 020	1

Properties:

Intensive active cleaning and care substances ensure effective cleaning. Anti-slip effect, no layer buildup due to water-soluble polymer basis.

- PVC
- Linoleum
- Rubber/elastomeres
- Matt natural stone (granite, marble etc.)
- Matt artificial stone (tiles, concrete-block stone)

Application/dosage:

- Machine application: Add 15 ml to 10 liters of water
 Manual application: Add 30 ml to 8 liters of Wasser
 Spray cleaning: Add 15 ml to 0.5 litres of water
 Corresponding higher dosage is possible in case of heavy soiling!

Application:

Suitable for machine and manual floor cleaning. For higher gloss, floor surfaces can be polished with single-disk or high-speed machines.

Note:

With self-shining, polished stone floors, we recommend EASY-TO-CLEAN Surface Cleaner, Art. No. 0893 117 105.

- ▶ When used regularly, builds up an EASY-TO-CLEAN "film".

Your advantages:
