

POWERFUL STAINLESS STEEL CLEANER

Tap
for 5-litre canister

Art. no.	PU/Qty.
0891 302 01	1

Contents	Art. no.	PU/Qty.
500 ml	0893 121 2	1/12
5 l	0893 121 205	1

Applications:

For surfaces made from stainless steel, chrome, brass, anodised and enamelled metal surfaces as well as light-alloy and non-ferrous metals on vehicles, in boat construction, on technical equipment, in the home and in food processing companies.

Note:

Avoid direct contact with food.

Application:

Spray the dirty surface, let it take effect briefly and clean thoroughly with a cloth. Aid the cleaning process with a sponge or soft brush where necessary.

Recommendation:

Conditioning with stainless steel care oil, art. no. 0893 121 0, optimises the cleaning and care effect, thereby providing a perfect surface finish.

Special cleaning fluid for pre-cleaning metal surfaces.

Powerful removal of oil and grease.

- Dirt such as drilling and cutting oils, dust and other machining residues is thoroughly removed.
- Optimum preparation for further renovation, cleaning and care.
- Efficient in consumption.

Tested for use in areas where food is processed or stored.

- Safe to use in areas where food is processed or stored, such as commercial kitchens, canteens, abattoirs, food transport etc.

Contains no phosphates, organic solvents or caustic substances.

- Reduces the risk potential associated with daily use.
- Reduces environmental pollution.
- Complies with local wastewater statutes.
- Not labelled in accordance with the German Ordinance on Hazardous Substances.

Gentle on materials.

- Paint, rubber, plastics and seals are not attacked.

Biodegradable > 95%.

Colourless and odourless.

Undiluted pH value: 9.0-9.5.

AOX- and silicone-free.

NSF = internationally recognised organisation for the supervision and registration of products used in the food industry.
