

GRAFFITI-EX, INDOORS

Content in mL	Art. No.	P. Qty.
500	0893 136	1/12

Areas of application:

Bus, train, car, sanitation systems etc.

Not a facade cleaner (concrete/stone)!

Application:

Spray on Graffiti-EX evenly and allow it to work in briefly. Then wipe off the separated paint with a moist sponge or cloth in one direction. The work-in time depends on the type of graffiti (subsurface, paint, multiple layers, age etc.). For stubborn cases, repeat procedure and extend the work-in time somewhat.

Note:

Before use, **always** check material compatibility and color fastness in an inconspicuous spot and use a cloth to apply the graffiti remover there.

The graffiti remover for smooth, non-absorbent surfaces indoors.

The problem solver for graffiti on sensitive surfaces.

Very high cleaning power

Enables easy removal of paint and marker graffiti.

Features special paint solvents

Product works its way under layers of bothersome graffiti paint and separates them without damaging the surface underneath.

Non-damaging to materials and surfaces

Solvent-resistant surfaces are not attacked.

Broad range of applications

AOX-free

Silicone-free
