

ACETONE CLEANER

Art. No.	0893 460	0893 460 001
P. Qty.	1	1
Contents	0.25 l	2.5 l
Smell/fragrance	Characteristic	Characteristic
Colour	Colourless	Colourless
Shelf life from production	24 Month	24 Month
AOX-free	Yes	Yes
Bio-degradable	Yes	Yes

Notice

Can soften paints and various plastics or cause discolourations. Not suitable for polycarbonate glass.

Hazard class/category: Flammable fluids, category 2; eye irritation, category 2; specific target organ toxicity - single exposure, category 3.

Special cleaner for unpainted metal surfaces and glass.

Outstanding cleaning performance

- Greases, oils and other soiling are softened and removed quickly and effectively
- Dissolves various paint residues

High volatility

The cleaner leaves behind no residues on the material to be cleaned.

Application area

For effective, fast cleaning and degreasing of metals (e.g. aluminium, steel and stainless steel) and glass prior to painting, filling, gluing and sealing work.

PRE-CLEANER

Art. No.	0893 200 1
P. Qty.	1/12
Contents	1 l
Smell/fragrance	Mild
Colour	Colourless
Density	0.717 g/cm ³
Min. flashing point	-21 °C
Shelf life from production	24 Month

Notice

Hazard class/category: Skin irritation, category 2; specific target organ toxicity - one-off exposure, category 3; inhalation risk, category 1; chronic aquatic toxicity, category 2.

Specially tailored cleaner for plastics, painted metal surfaces and glass parts

Excellent cleaning power with high degree of material compatibility

- Cleans contact surfaces thoroughly
- Does not attack paints and plastics

Short flash-off time

The cleaned parts can be processed further immediately

Application area

For thorough, fast cleaning and degreasing of plastic, glass and metal parts prior to painting, filling, gluing and sealing work, and for removing dent lifter adhesive residues.

The usage instructions are recommendations based on the tests we have conducted and are based on our experience; carry out your own tests before each application.
