

SCREENCLEAR PLUS

Window cleaner with antifreeze for the windscreen washer system.

Improved frost protection.

- Safely and reliably prevents windscreen and headlight washer systems from freezing up.

Outstanding, improved cleaning performance.

- Crystal-clear vision with winter dirt such as road salt film and oily road dirt.

Gentle on materials.

- Polycarbonate glass is not attacked.
- Gentle on paint and rubber.

Suitable for fan nozzles.

- Suitable for all vehicle models.

Note on fan nozzle suitability:

Depending on the viscosity, a fan-shaped spray jet is guaranteed down to -15°C in a 1:1 dilution ratio.

Easy-to-clean effect.

- The even, thin wetting of the window enables easy cleaning.
- Lasting cleaning, as dirt then cannot adhere as quickly.

Pleasant citrus odor.

Color: blue.

Content	Drum	Art. No.	P. Qty.
1.000 ml	Plastic bottle	0892 332 840	12
5 l	Plastic canister	0892 332 850	1
30 l	Plastic canister	0892 332 855	1
60 l	Plastic canister	0892 332 860	1
