### Instructions

Empty windshield wiper system (residue left inside can reduce frost protection).  
Add ready-mixed windshield wiper fluid additive.

**With frost protection down to -23 °C for the windshield washing system**

### Improved frost protection

- Reliably and effectively prevents freezing of windshield and headlight washer systems.
- Pure freezing point: -23 °C

### Extremely good cleaning performance

Reduced glare effects

### Practical free-standing bag

- Ready-mixed additive can be used immediately.
- No spilling thanks to pouring aid.

### Suitable for fan nozzles and xenon headlights

### Compatible with paint, rubber, plastic and polycarbonate

### Pleasant citrus scent

**Color: Blue**
