

GREASE REMOVER

Powerful grease and protein remover for catering and food-processing operations.

Designation	Contents	Art. No.	P. Qty.
Grease Remover	1000 ml	0893 117 405	1/12
	10 l	0893 117 410	1
Top Dos	–	0892 117 020	1

Properties:

Reliably cleans heavy grease, protein, oil and soot stains from all waterproof surfaces and floor coverings of plastic, stainless steel and tiles.

- Floor, wall, ceiling and work surfaces
- Machines
- Equipment (cookers, grilles, convectomats, boilers, smoking ovens)
- Exhaust hoods

Application/dosage:

- Manual application: Add 45 ml to 5 liters
 Spray cleaning: Add 45 ml to 0.5 liters
 In high-pressure cleaner: Add 60 ml to 10 liters
 Dose 1:10 for basic cleaning in foam gun.
 Corresponding higher dosage is possible in case of heavy soiling!

Application:

Suitable for manual and machine application with high-pressure and foam cleaners.

Note:

Remove cleaning agent residues with drinking water after cleaning.
 Do not use product on alkali-sensitive materials, e.g. aluminum or linoleum.

- ▶ High cleaning performance.
Your advantages:
 - Stains like grease, oil, protein encrustations and soot are softened.
 - Easy, time-saving cleaning.
- ▶ Highly concentrated.
Your advantages:
 - Suitable both for basic cleaning and for daily maintenance cleaning depending on dosage.
 - Stock-keeping is reduced.
 - Decreases costs.
- ▶ Simple, universal use.
Your advantage:
 - Suitable for manual and machine application with high-pressure and foam cleaners.
- ▶ Odorless.
- ▶ pH = 13 in concentrate.
- ▶ Bottle can be refilled several times.
- ▶ Simple dosing with Top Dos dosing cap.
