

GLASS CLEANER

Contents in L	Color	Art. No.	P. Qty.
5	Transparent	0890 220 5	1

Areas of application:

Used for cleaning glass and smooth surfaces. For car, truck and bus windows, building windows and window frames, mirrors, ceramic, tiles and sensitive surfaces such as paint, plastic and photovoltaic and scratch-resistant glass.

Features:

Cleans all glossy surfaces quickly and powerfully, yet gently, without leaving smears behind.

Use:

1. Spray undiluted glass cleaner onto the surface to be cleaned.
2. In case of stubborn soiling, allow it to work in briefly and then wipe off with a microfiber cloth or cleaning paper.

Note:

Do not use on hot surfaces or in direct sunlight.

Powerful liquid cleaner with antistatic effect for cleaning windows

Cleans without leaving smears or streaks behind

- No smears blocking the view of the driver
- Safe nighttime driving (no blinding)

Powerful formula

- Little time expenditure thanks to quick and reliable cleaning action
- High yield, which keeps costs to a minimum
