

CUT + COOL CUTTING AND DRILLING OIL

Multi-cutting oil
for light to medium-heavy machining work.

- ▶ For universal use.
- ▶ Already cools while spraying on.
Your advantages:
 - Protects tools.
 - Prevents welding of small material particles to cutting edge.
- ▶ Good creep properties.
Your advantage:
 - Creeps into tightest tolerances.
- ▶ Excellent corrosion protection.
Your advantages:
 - Provides lasting protection against further formation of rust and corrosion.
 - No retreatment or preservation necessary.

Designation / Container	Content	Art. Nr.	P. Qty.
Aerosol	400 ml	0893 050 004	12
Canister	5 l	0893 050 1	1
REFILLO Spray Can	400 ml	0891 800 90	1
REFILLO Compr. Air Charging Station	–	0891 800	1

Applications:

For drilling, thread tapping, thread forming, turning, counter-sinking, reaming and sawing. Optimal for stainless steel, but also for high-alloy steel, construction steel, non-ferrous and precious metal. Can also be used as a preservative agent for semi-finished and finished parts and machine parts, and as gun oil.

Note:

Silicone, chlorine, resin and acid-free. Free of paint-wetting substances.

With this information we want to advise you to the best of our knowledge based on our tests and experience. Preliminary testing required!
