

FOAM GUN

For use with Würth utility vehicle, workshop and service cleaners and other cleaners together with high-pressure units or steam jets

Even foam application

- Efficient in consumption
- Effective cleaning agent use thanks to a longer soaking time and slow running of the foam
- Areas in which foam has already been applied are easy to recognize

All parts which come into contact with cleaners are made of plastic

- Corrosion-resistant
- Easy cleaning of the foam cannon

User-friendly

- Attractive, ergonomic design
- Liquid quantity is easy to regulate

Art. No.	0891 612
P.	1
Contents	0.75 l
Color	Red
Max. air consumption	180 l/min
Max. operating pressure	12 bar
Min. operating pressure	6 bar
