

TAR REMOVER

Container	Contents	Art. no.	PU/Qty.
Can	300 ml	0890 26	12
Canister	5 l	0890 26 005	1

Powerful solvent action

Removes stubborn dirt

Emulsifying effect

Easy to rinse off

Applications:

Effortlessly removes tar, oil, and splashes of underseal and cavity sealant from paint and chrome.

Application:

Spray on directly or apply to the surface to be treated with a saturated cloth, allow to soak in briefly and remove with a cloth or soft sponge.

TREE RESIN REMOVER

Container	Contents	Art. no.	PU/Qty.
Canister	5 l	0890 21 005	1

Lubricating additive

Reduces the risk of paint damage during removal

Applications:

Fast removal of resin, dirt and paraffin-based vehicle waxes from bodywork parts and machine surfaces.

Application:

Spray on directly or apply to the surface to be treated with a saturated cloth, allow to soak in briefly and remove with a cloth or soft sponge.
