

SPECIAL SKIN PROTECTION LOTION

Washable skin protection lotion prevents contamination by water-soluble and water-insoluble substances, in particular sealant.

Forms an effective protective film between the skin and working materials

- Reduces contact with working materials harmful to the skin
- Does not affect skin functions

Forms a dry, elastic, and adhering protective film

- Non-slip tool grip
- Leaves no marks on tools or work-pieces

Facilitates skin cleansing

Protects against the use of inappropriate skin cleansers as the main contributory cause of numerous skin diseases.

Efficient in consumption

Dermatologically tested
