

## SKIN PROTECTION LOTION COMBI

**For SKIN Dispenser Art. No. 0891 900 5. Washable skin protection lotion prevents contamination by water-soluble and water-insoluble substances.**

### Forms a barrier against water-soluble and water-insoluble substances with one product

- Forms an effective protective film between the skin and working materials
- Particularly suitable for frequently changing working materials
- Does not affect skin functions

### Forms a dry, elastic, and adhering protective film

- Non-slip tool grip
- Leaves no marks on tools or workpieces

### Facilitates skin cleansing

Protects against the use of inappropriate skin cleansers as the main contributory cause of numerous skin diseases.

### Leaves skin feeling clean and fresh

Ingredients such as panthenole and witch hazel have an anti-inflammatory effect and promote skin regeneration.

### Silicone-free and dermatologically tested
