

## LIGHT-COLORED SOFT WAX

**For filling small damaged areas in light-brown color tones which are not subjected to major loads later.**

### Light-Colored Assortment

**Art. No. 0964 890 410**

P. Qty. 1

### Large choice of colors

Suitable color tones for a wide range of different wood color tones.

### Color tones can be intermixed

For optimal adjustment of the color tone to the surface.

### Easy application

Fast, easy filling of small scratches, cracks and open joints.

### Low-cost touch-ups

Instead of replacement or complex, expensive new surface treatment of the entire surface.

Color	Color No.	Art. No.	P. Qty.
Colorless, light	202	<b>0890 403 202</b>	5
Maple, light	230	<b>0890 403 230</b>

Birch	231	<b>0890 403 231</b>	
Pine	204	<b>0890 403 204</b>	
Maple, medium-reddish	205	<b>0890 403 205</b>	
Oak, natural	232	<b>0890 403 232</b>	
Pine, natural core	233	<b>0890 403 233</b>	
Alder, medium	208	<b>0890 403 208</b>	
Beech/Larch	234	<b>0890 403 234</b>	

Please note that the colors shown may differ from the original tone for printing-related reasons.

### Fields of application:

For filling in cracks in veneer, lengthwise and crosswise scrapes, holes, indentations, small cracks and scratches, smaller open joints not subjected to major loads, e.g. for windows, doors, cabinet side and rear walls, etc.

### Notes:

- Suitable for use indoors only.
- Please follow the application instructions included with each assortment pack exactly.
- Please note that wood has a natural color which is dependent on many factors. Therefore, several wax colors should always be used for inconspicuous retouching.
