ECO LINE Multi-Purpose Cleaner cleans and shines just about any surface in a natural way. Guaranteed to be a high-quality, eco-friendly product, as indicated by its European Ecolabel.

Environmentally-friendly composition

Reduces and prevents risks (skin and throat irritation, breathing difficulties) for people and the environment thanks to a reduction in the following properties:

- Contains no biocides, dyes, perfumes or banned substances.
- VOC-free.
- Reduction of packaging waste.

Versatile

Can be used with almost all cleaning devices.

Practical

Refill bag dissolves in seconds upon contact with water.

Gentle

Being composed of eco-friendly raw materials, it cleans even sensitive surfaces gently and effectively.

Designation	Contents	Art. No.	P. Qty.
Multi-Purpose Cleaner	1 L	0890 290 002	1/8
Multi-Purpose Refill	8 x 25 mL (can)*	0890 290 001	1/24

*Enough for 4 liters

Use:

Apply the cleaner to the soiled surface and allow it to work in for approx. 30 seconds. After that, wipe off or rinse off with water.

Applications:

ECO LINE Multi-Purpose Cleaner can be used on just about any surface and is suitable both for vehicle detailing (paints, plastic parts, textile ceilings, covers,

interior linings, vinyl roofs, upholstery, carpets and all water-resistant surfaces) and in the workshop and household.

Note:

Please use warm water (40-60°C) to dissolve the refill bag. Do not use on hot surfaces or in direct sunlight.

Technical data:	
pH value	9.6
Color	Brown
Scent	Characteristic
