- Optimum high-gloss finish

### High dirt bonding

- Optimum cleaning performance
- Removes greasy dirt

### Easy to care for

Washable up to 60°C (do not wash with softener)

### Can be used dry, moist or wet

For universal use

### Low-linting

## CAR AND WINDOW CHAMOIS

Designation	Dimensions in cm	Art. No.	P. Qty.
Car and Window Chamois	70 x 45	0899 700 630	1

### Applications:

Suitable for cleaning windows and mirrors, for polishing and for paint care after using a car wash. The leather absorbs all remaining water droplets without leaving any residue.

**Made of real sheepskin**

**High water absorption capacity  
Minimal time required**

### Completely natural product

- Does not irritate the skin
- Environmentally safe
- Lint-free
- Durable

### Care information

To ensure durability, wash out the car and windshield chamois after every use, but do not use any acidic or degreasing detergents.

Wring out the cloth and leave it spread out to dry naturally. Do not place it onto a radiator or in direct sunlight.

This information is only a recommendation based on our experience. Preliminary testing required!  
When using the product, both the technical data sheet and the specifications of the applicable regulations must be complied with.
