

## CLEANING PAPER

**100% recycled-paper, low-lint ECO LINE Cleaning Paper is characterized by its absorbency and tear strength. Guaranteed to be a high-quality, eco-friendly product, as indicated by its European Ecolabel.**

### Environmentally friendly

Reduces and prevents risks to people and the environment thanks to its biodegradability. Contains no dye additives.

### High tear strength

Coarse materials like chips can be picked up effortlessly as well.

### Versatile

Suitable for all common dispensers.

### Space-saving

Thanks to its small dimensions, the cleaning paper requires less space and can thus be transported in a car trunk as well, for example.
