

SPANNFIX

With the Spannfix polyester strapping, even large and heavy parts (pipes, scaffolding, wood, natural bricks, palletized goods etc.) can be strapped quickly and securely.

The strapping is also ideal for lashing goods on loading surfaces of all kinds.

The strapping withstands extreme loads of 500 kg!

The strapping system for heavy loads.

Compact system

Simple, fast handling.

Five times lighter than steel strapping

Also ideal for mobile use.

Simple securing by hand or with the tensioner

- Easy retensioning.
- Doesn't loosen even during long storage periods.

UV and weather resistant

Largely chemical-resistant

Doesn't leave pressure points, scratches or rust spots behind
Strapping does not damage products.

Strapping and clips can be used several times

Excellent value for the money.

No sharp edges

- No danger of injury.
- Adapts well to all shapes.

Rules of thumb for determining system strength

Weight of package contents in kg	Number of strapping turns
500	2
750	3
1,000	4
1,500	5

Scope of delivery:

Designation	Art. No.	P. Qty.
Complete Spannfix System (1 dispenser, 1 tensioner, 1,000 strapping clips, 1 roll of polyester strapping - 16 mm wide, 850 m long)	0899 713 000	1
Spannfix Strapping Clips, 16 mm	0899 713 001	1,000
Spannfix Dispenser, 16 mm	0899 713 002	1
Spannfix Tensioner	0899 713 003	1
Spannfix Edge Protection	0899 713 005	500
Spannfix Polyester Strapping - 16 mm wide, 850 m long	0899 713 850	1/2

Note:

Impact loads can require a larger number of strapping turns!
