- Polycarbonate lens with matt roof section to suppress reflections

Art. No.	0899 102 230
P. Qty.	1
Colour of disc	Clear
EN standard	166, 170
Mechanical strength	F (45m/s)

SAFETY GLASSES FORNAX® PLUS

Maximum protection in an innovative design

Optimum protection for the eye area

- With integrated side protection
- Large field of vision thanks to panoramic pane

Special pane technology with high-quality coating

- Distortion-free view
- Outer panes are extremely scratch-resistant and inside panes feature a permanent anti-fog coating
- 100% UV protection (up to 400 nm)

Innovative arm technology

- Very comfortable thanks to flexible two-component arms
- Can be adjusted flexibly thanks to the variable inclination of the arms
- Secure fit without pressure marks – even after long periods of wear

Clever design

- Very compact with arms folded in
- Excellent in combination with breathing masks

Art. No.	0899 102 242
P. Qty.	1
Colour of disc	Clear
