The integrated magnet technology enables the sun protection lens to be attached and removed quickly and flexibly.

Suitable for a wide range of uses indoors and outdoors

Very comfortable to wear thanks to the two-component technology

Perfect fit, in particular for narrow heads

### Compact geometry

- Good airtight fit
- Reduced height, easy to wear with hard hats and breathing masks
- Low weight

### High-quality lens coating

- Outside is extremely scratch-resistant
- Inside features a permanent mist-free coating

**100% UV protection up to 400 nm**
