

FOLDING MASK FM 3000 FFP1 NR D

Art. No.	0899 110 520
P. Qty.	20
Filter class	FFP1 NR D
Design	No valve
EN standard	149:2001 + A1:2009

Application area

Protects against non-toxic and non-fibrogenic particles, dust and aerosols up to four times the limit value, e.g. when working in an environment with cement dust, flour dust or when demolishing masonry, stone or concrete.

In a practical design that folds completely flat

Hygienic individual packaging

Complete protection and comfortable to wear thanks to special, soft filter materials

Minimal breathing resistance

Perfect, sealed fit thanks to:

- Nose clip for optimised fitting
- Half sealing lip in the nose area

Looped-through cotton head strap

Can be used together with Würth safety glasses for optimum protection
