

PinPuller® Set

Art. No. 0691 500 169

All-purpose dent removal set with weld-on and bonding techniques on bright steel or painted surfaces.

● **Compact**

The Pin Puller set contains all necessary tools for the repair of dents by means of welding-on or bonding.

→ **Optimal collection of items and readiness for use.**

● **Quick and simple**

Clearly organized display of all tools and auxiliary materials.

→ **No annoying search for the right tool.**

● **All-purpose**

The Pin Puller is very versatile:

- small to medium deformations.
- dents and horizontal scratches.
- weld-on and bonding technique.

→ **High economic efficiency.**
