

ANGLE GRINDER EWS 14-125-EQ UNIVERSAL

Powerful 1,400 Watt universal angle grinder with speed control, anti-vibration handle and the greatest power density in its class for fast work progress. Ideal for intensive roughing and cutting work in continuous use.

Speed control

- The steplessly adjustable speed makes the angle grinder ideally suited to any job
- The speed can be optimally adapted to the material being worked.

Constant electronics

For fast work progress, because the speed remains constant even under load.

Restarting protection

Following an interruption in the power supply, the angle grinder does not restart unintentionally, thereby greatly reducing the danger of injury.

Overload protection and gentle start-up

Increased service life and operating safety of the machine.

Recoil protection

No recoil if the wheel is blocked by mechanical decoupling. For a high level of user protection and rapid ongoing work.

"Q-Nut" quick-action nut and quick-adjustment protective hood

Speedy and toolless disc changing is possible at the press of a button thanks to the quick-action nut. Optimally supplemented by the quick-adjustment protective hood.

3-year warranty

On manufacturing and material defects

Art. No.	5707 005 2
P. Qty.	1
Min./max. nominal voltage	220 / 240 V/AC
Min./max. frequency	50/60 Hz
Protection class	Protection class II / protective insulation
Power consumption	1,400 W
Output	800 W
Max. idling speed	11,000 rpm
Idling speed min./max.	2,800 - 11,000 rpm
Thread type x spindle thread diameter	M 14 mm
Max. cutoff wheel diameter	125 mm
Machine weight	2.5 kg
Cable length	4 m

Delivery scope for Art. No.	Designation	Art. No.	Quantity
5707 005 2	Q-Nut quick-action nut	5707 000 100	1
	Protective hood	5807 003 014	1
	Anti-vibration handle	5807 004 009	1

Supplement to Art. No.:	Designation	Art. No.
5707 005 2	Longlife steel/stainless steel segmented grinding disc	0578 480 524
	Fleece segmented grinding disc	0585 312 510
	Speed Plus cutoff wheel	0664 131 248
	Speed roughing wheel	0664 181 256
	Longlife & Speed cutoff wheel	0664 631 250
	Longlife roughing wheel	0670 181 257
	Longlife & Speed SD building site diamond cutoff wheel	5526 660 125

Note

Available in the ORSYfleet fleet management system
