

H 28-MLE POWER HAMMER DRILL

Very powerful hammer drill with active vibration dampening. Ideal for series drilling.

**In a case with three high-quality Quadro SDS Hammer Drill Bits
Art. No. 5708 203 1**

Extremely fast drilling progress

Low-vibration

Due to the minimal vibrations, the machine can be worked with for a very long time without causing fatigue.

Multi-purpose

The machine's chisel function allows it to be used as a chisel for correction work as well.

Ball cable bushing on power cable

Prevents cable breakage, one of the most common causes of corded tool failure.

3-year guarantee

On manufacturing and material defects.

Available in the fleet management system ORSY® fleet.

Scope of delivery		
Designation	Art. No.	P. Qty.
H 28-MLE Hammer Drill	-	
Additional Handle	5808 203 100	
Longlife Quadro-L 6 x 120 mm Hammer Drill	0648 006 016	1
Longlife Quadro-L 8 x 120 mm Hammer Drill	0648 008 016	
Longlife Quadro-L 10 x 120 mm Hammer Drill	0648 010 016	
Case Insert	5808 203 995	
ORSYBull Empty Case	0955 330 0	

Technical Data	
Voltage	230 volt
Protection class	
Rated consumption capacity	850 W
Nominal speed	0 - 1,300 rpm
No. of impacts at nominal speed	0 - 4,000 rpm
Indiv. impact strength	3.2 Joule
Tool Mount	SDS-plus
Weight	2.9 kg
Cable length	4 m

Application	
Drilling in concrete and stone up to dia.	4 - 28 mm
Optimum drilling performance in the dia. range	6 - 18 mm
Max. hollow drill bits in masonry	68 mm
Chisel function	Yes
Adjustable chisel position	Yes
Clockwise or counterclockwise running	Yes
Impact stop for normal drilling	Yes
Throttle switch	Yes
Lock button for continuous operation	Yes

Materials to be processed:

concrete, masonry, wood, metal
