

HAND BELT SANDER

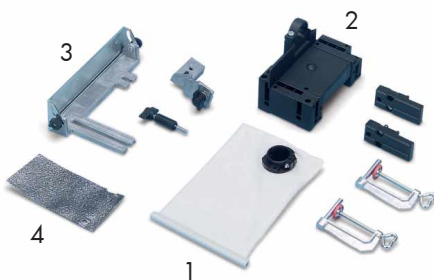

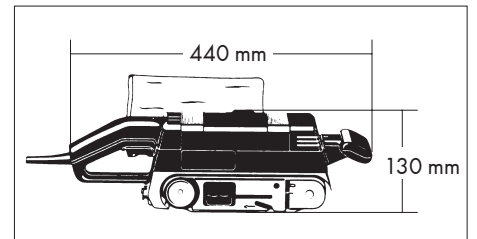

Belt sander with long service life and low weight, therefore also suitable for vertical and overhead sanding.

HBS 533
Art. No. 0702 588 1

- For abrasive paper with the dimensions 533 x 75 mm.
- Removable extra grip enables sanding close to edges.
- Easy-to-operate quick-clamping lever for convenient sanding belt changes.
- Adjusting wheel on On/Off switch for adjustment of belt running speed to material.
- Rugged toothed belt and metal gearwheels for long service life and low wear.
- On/Off switch with locking button; easy to operate even with gloves.
- Simple belt running control by adjusting wing screw.
- Self-extraction possible with dust bag provided.
- For effective extraction, we recommend the ISS 45-M Industrial Vacuum Cleaner in conjunction with the extraction adapter for electric tools.
- 3-year warranty.

Delivery Scope		
Designation	Art. No.	P. Qty.
Hand Belt Sander HBS 533	0702 588 X	1
Cloth Bag	0702 588 010	1
Stationary device	0702 588 014	1
Parallel/angled stop	0702 588 012	1
Graphite plate	0702 588 013	1
Cloth sanding belt P 80, 533 x 75 mm	0675 080 533	1
Metal carrying case	0955 702 588	1
