

LONGLIFE DIAMOND CUTTING DISCS

Hand-held
and floor saws

Caution: Direct-distribution item, 24-hour delivery service not possible!

Black for asphalt

Diamond cutting disc, specifically developed for road construction

• For dry and wet cutting

- Particularly high segments: 15 mm
- Special protective segments protect the main blade against undercut

Dia. mm	Drill hole mm	Segment height in mm	Segment thickness in mm	No. of segments	Segment connection	max. min ⁻¹	Art. no.	PU/ Qty.
300*	20.0	15	3.0	18	Laser	6400	0666 750 300	1
300*	25.4**	15	3.0	18	Laser	6400	0666 750 301	1
350*	20.0	15	3.2	21	Laser	5400	0666 750 350	1
350*	25.4**	15	3.2	21	Laser	5400	0666 750 351	1
400*	25.4**	15	3.4	24	Laser	4800	0666 750 401	1
450*	25.4**	15	3.6	28	Laser	4200	0666 750 451	1
500*	25.4**	15	4.0	30	Laser	3800	0666 750 501	1
600*	25.4**	15	4.5	36	Laser	3200	0666 750 601	1

* Max. circumferential speed 100 m/s.

** With driver hole.

Frequent applications

see table for additional applications

Asphalt

Concrete, abrasive, fresh concrete

Mortar, plaster, screed

Sand-lime brick, soft
