

# ELECTRICAL ORBITAL SANDER

Additional extraction through side extraction ducts on the Velcro sanding plate for clean working.

The universal ribbed extractor connection provides a better grip when an external vacuum cleaner is connected.

### Application:

Sanding of wood, plaster, plastic, non-ferrous metals, steel plating, etc.

Scope of delivery:		
Designation	Art. No.	P. Qty.
ESS 115-2 orbital sander	<b>5707 700 X</b>	1
Sanding plate with Velcro connection	<b>5807 700 041</b>	1
Additional handle	<b>0708 128 023</b>	1
Dust collection cassette with folding filter	<b>5807 700 020</b>	1

Technical Data:	
Voltage	230 V / 50 Hz
Protection Class	□ / II
Idling oscillation rate	8,400 - 22,000 rpm
Load suspension coefficient	17,000 rpm
Power consumption	350 W
Output	180 W
Velcro sandpaper, 10 holes	230 x 115 mm
Orbital circle	2.2 mm
Connection cable	4 m
L x W	372 x 114 mm
Weight	Approx. 2.7 kg

Matching abrasive paper		
	Color/design	Velcro paper 230 x 115 mm
	yellow/wood	0581 485 ...
	brown/wood ZEBRA®	0583 585 ...
	gray/wood, painted ZEBRA®	0581 132 ...
	SAHARA® / car	0581 315 ...

**Handy orbital sander with universal clamping system for securing Velcro abrasive paper measuring 230 x 115 mm and with 10 holes. Also for clamping abrasive paper without an adhesion system.**

**ESS 115-2**  
**Art. No. 5707 700 0**

### Excellent sanding pattern

- Low-vibration and durable orbital system.
- Achieves perfect sanding results almost without sanding grooves.

### Robust clamping system for flexible applications

- Universal clamping system allows sandpapers to be used with and without Velcro.
- Abrasives up to 10 mm thick can be used.

### Integrated dust extraction.

- Easy-to-empty dust collection cassette.
- Self-extraction and washable Polyester filter.

### 3 year warranty

- On material and manufacturing faults.

**Available in the fleet management system ORSY®fleet.**

### Attention:

**Hazardous dusts (e.g. wood and paint dust) must be extracted by a vacuum with dust class M approval. The ISS 45-M automatic industrial wet and dry vacuum cleaner, Art. 0701 146 0, is suitable for extracting these dusts.**

### Order together:

The adapter is for use with the Würth industrial wet and dry vacuum cleaners.

**Art. No. 0702 400 042**, P. Qty. 1

Replacement Filter

**Art. No. 0702 128,011**, P. Qty. 1
