

## HAND-HELD CIRCULAR SAW

Precise hand-held circular saws for quick and easy sawing work.

### HKS 52

In box with saw blade.  
Art. No. 0702 153 0

### HKS 62

In case with saw blade.  
Art. No. 0702 154 1

### Torsion-resistant saw shoe.

Highly stable, even in hard usage conditions.

### Height and angle are adjustable.

Easy to adjust to a wide variety of working situations.

### Features splitting wedge.

Minimizes the risk of saw blade jamming.

### Efficient dust extraction.

In conjunction with a Würth industrial vacuum cleaner, hardly any sawdust is created in the working area.

### 3-year warranty.

During this period, all manufacturing or material defects will be repaired free of charge.

Available in the fleet management system ORSY®fleet.

\*Some illustrated accessories not included.

Delivery scope			
Designation	HKS 52 Art. No.	HKS 62 Art. No.	P. Qty.
Hand-Held Circular Saw	0702 153 X	0702 154 X	1
Wrench for saw blade changing	0708 153 058	0708 154 072	1
Circular Saw Blade for wood HM-WZ, 165 mm dia., 24 teeth	0610 122 043	-	1
Circular Saw Blade for wood HM-WZ, 190 mm dia., 40 teeth	-	0610 190 403	1
Chip Ejection Adapter	0708 153 038	-	1
Plastic Case, black	-	0955 702 154	1

Technical data		
Designation	HKS 52	HKS 62
Voltage	230 V/50 Hz	
Power consumption	1,050 W	1,350 W
Power output	570 W	800 W
Idling speed	5,000 rpm	5,000 rpm
Max. saw blade diameter	165 mm	190 mm
Saw blade hole dia.	20 mm	30 mm
Bevel setting	0 - 45 °	0 - 55 °
Cutting depth at 90 °	52 mm	62 mm
Cutting depth at 45 °	37 mm	49 mm
Weight	5.0 kg	6.0 kg

### Accessories

Guide Rail, 1,500 mm, for TKS 59-E, HKS 52, HKS 55 and HKS 62  
Art. No. 0702 157 004

Replacement Splinter Guard  
Art. No. 0708 157 199

Screw Vices for attachment of the guide rail to the workpiece  
Art. No. 0702 155 2

Connection Pieces for connecting two guide rails  
Art. No. 0702 157 003

Connector for dust extraction: Adapter for use with Würth industrial wet and dry vacuum cleaners  
Art. No. 0702 400 042

Industrial Wet and Dry Vacuum Cleaner ISS 45-M automatic  
Art. No. 0701 146 0

Protective equipment: Hearing protection, gloves, safety goggles, dust masks...  
Art. Pre.-No. 0899
