

REVERSIBLE BIT ASSORTMENT

With adjustable handle

13-pc. assortment
Art. No. 0613 760

One-hand operation

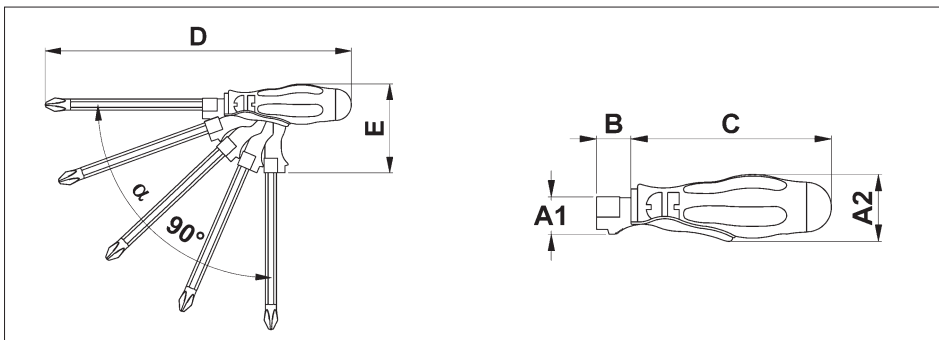

- No need to reverse the bit to change between screwdriver and T-handle. Can be used as a "standard screwdriver" in the straight position or in the 90° T-handle position thanks to the adjustable grip.

2-component handle

- For comfortable and fatigue-free working
- Bit mount: High-strength stainless steel with 1/4" mount

12 high-quality reversible bits

- Select an appropriate bit - insert it in the handle -you're done!
- Features Würth color coding system for fast assignment
- Hex mount, 6.35 mm = 1/4"
- Also suitable as long bit for cordless drills
