

"Mini" 1/4" Multi Socket Wrench Assortment, 23-piece

Art. No. 0965 11 23

Extremely compact special tools with bit ratchet, multi socket wrench and adapter for use in the tightest of spaces.

Bit Ratchet

Technical Data:

- Mount: For 1/4" hexagon drive in accordance with DIN 3126-C6.3 and E6.3.
- Head: Extremely compact ratchet head, fine-toothed, 72 teeth, 5° reversing angle.
- Version: chrome-plated with 2-component handle, extremely slim design, angled down 10°.

High-performance bit ratchet:

- Very rugged design, max. torque of up to **40 Nm**.

Maximum flexibility:

- A large number of different adapters, bit holders and socket wrench inserts can easily be combined.

Applications:

- Ideal problem-solver for handicraft applications: e.g. motor vehicles, commercial vehicles, motorcycles, bicycles, mechanical engineering, fine machinery and the furniture industry.

Multi-profile suitable for five most common screw head drives! Hex metric, 4-sided metric, 12-sided metric, hex inch and outer TX.

Knurled rotary disk
→ Screwing process can be accelerated with thumb.

Reversing lever
→ Simple reversing of clockwise and counterclockwise rotation.

Broad range of applications
→ The right tool for any application.

Overall height of bit ratchet
→ Low overall height of bit ratchet compared to conventional ratchets.

Long bit holder blade
→ Provides better access with deep screw connections.

Contents

Designation	Tip	Length Size	Art. No.	
Bit ratchet		100 mm	0712 014 5	1
6x Multi-socket wrench, each 1x 5, 6, 8, 10, 11, 13 mm		22 mm	0713 113 05 to 0713 113 13	
Bit PH 1		25 mm	0614 176 274	
Bit PH 2			0614 176 461	
Slot bit 0.8x5.5			0614 175 653	
Allen bit, 3 mm			0614 176 93	
Allen bit, 4 mm		0614 176 94		
Allen bit, 5 mm		0614 176 95		
Allen bit, 6 mm		0614 176 96		

Designation	Tip	Length Size	Art. No.	
1/4" bit		25 mm	0614 176 700	1
TX 10 bit			0614 311 0	
TX 15 bit			0614 311 5	
TX 20 bit			0614 312 0	
TX 25 bit			0614 312 5	
TX 27 bit			0614 312 7	
TX 30 bit		0614 313 0		
Extension		100 mm	0613 716	
Bit holder		100 mm	0613 715	
Foam insert	-	125x75x30 mm	0955 11 23	
Metal box, Size 0	-	130x80x30 mm	0955 715 0
