Size 14 mm		22	0713 111 114	1

Use

Can be used with bits and socket spanners.

- Dual function special ratchet with 1/4" and 10 mm mount

Low height of the special ratchet

- In comparison with the usual 1/4" ratchets

Special offset ratchet spanner with optimum working length of 110 mm or 200 mm

- Especially suitable for tight working areas, e.g. door hinges, engine compartments and toothed-belt covers

Fine-toothed ratchet spanner enables screwing in and out in the smallest of spaces.

- Clockwise/anticlockwise rotation can be quickly switched with one hand
