▶ Quick and simple.

**Your advantage:**

Damaged items can generally be repaired very quickly and cheaply without being removed and dismantled.

▶ 24 fabric fibres of various colours.

**Your advantage:**

Mixing the various colours makes an almost perfect imitation of the original fabric possible.

▶ Flexible use.

**Your advantage:**

Packed in a system case, it can be used on the go.

**RETEX®**

is part of the **SmileREPAIR®** system (see chapter "Service and Systems").
