

SIDE CUTTERS DIN ISO 5749

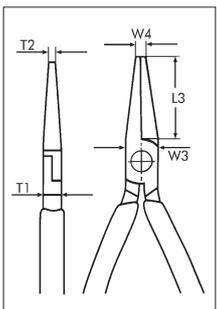

For cutting hard and soft wired and cables even in hard-to-reach areas

- Force-saving, clean cutting with milled precision cutting edge
- High-quality tool steel ensures long tool life and precision cutting edges
- Optimal accessibility thanks to slim head shape
- Ergonomic, non-slip 2-component comfort handle with slim collar shape for pleasant working conditions and optimal force transmission

Cutting: inductively hardened precision cutting
Surface: ground and chrome-plated all around
Joint: lay-on

L in mm	L in inches	Soft wire	Medium-hard wire	Hard wire	Art. No.	P. Qty.

180	7		3.0 mm dia.	2.5 mm dia.	0714 01 568	

SNIPE NOSE PLIERS DIN ISO 5745

For gripping, holding and cutting soft and hard wires and cables

- High-quality tool steel ensures long tool life of precision tips and cutting surfaces
- Elastic tips for high loads, especially under bending loads
- Ergonomic, non-slip 2-component comfort handle with slim collar shape for pleasant working conditions and optimal force transmission

Cutting: also inductively hardened
Surface: ground and chrome-plated all around
Grip surfaces: toothed
Joint: lay-on
