Accessories

25 mm Cutting Knife, Art. No. 0715 66 35

For use in the 25 mm cutting knife

Clean and effortless cutting

Extremely sharp thanks to special tooting.

Suitable for hard-to-reach areas

Compact, handy and suitable for universal use.

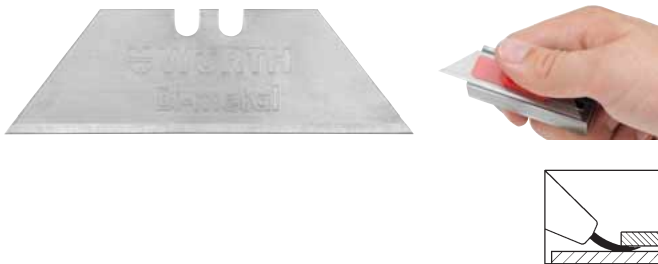

Enables parts to be sawed off flush

Flexible, yet rigid enough for the application.

Defined cutting depth avoids unwanted damage

The cutting depth of the blade can be adjusted.

BI-METAL BLADE

Extremely safe to use

Unbreakable under normal working conditions.

High economy and efficient working

Triple the service life of standard blades.

Limber and flexible

If necessary, the blade can be bent and worked with accordingly. (Special applications like this are only possible with this blade.)

Art. No. 0715 66 021

P.Qty. 1

KNIFE SHEATHES

Black cowhide

Holds knife securely

Thanks to tapering sheath end.

Rivet-reinforced seams
