

## PNEUMATIC AXIAL DRIVER

Features adjustable sliding clutch for precise torque control.

**DAS 1/4"**  
Art. No. 0703 413

- 1/4" bit quick-action chuck.
- Clockwise/counterclockwise switchable.
- Good speed control thanks to a sensitive trigger, which also makes easy tightening of screws possible.
- Exhaust air fed toward the rear with connection for Exhaust System Art. No. 0709 838 053.
- 3-year warranty.

Delivery scope			
Designation	Art. No.	P. Qty.	
DAS 1/4" Pneumatic Axial Driver	-	1	
Double Open-Ended Wrench, size 17 x 11	0709 413 059	1	
Allen Wrench, 1/4"	0715 311 34	1	

Technical data												
Type	Hexagon	Max. torque drive in Nm	Speed in rpm	Operating in bar	Weight pressure in kg	Length in mm	Bit mount Hex	Air cons. in L/min	Connection thread	Minimum hose dia. in mm	Art. No.	P. Qty.
DAS 1/4"	1/4"	2.2 - 10	1800	6.3	1.2	260	1/4" E 6.3	85	R 1/4"	9	0703 413	1

## PNEUMATIC GUN DRIVER

**DPS 1/4"**  
Art. No. 0703 412  
With claw coupling for full torque.

Art. No. 0703 439  
Features adjustable sliding clutch for precise torque control.

- 1/4" bit quick-action chuck.
- Clockwise/counterclockwise switchable at trigger.
- Exhaust air fed toward the rear with connection for Exhaust System Art. No. 0709 838 053.
- 3-year warranty.

Delivery scope			
Designation	Art. No.	P. Qty.	
DPS 1/4" Pneumatic Gun Driver	-	1	
Double Open-Ended Wrench, size 17 x 11	0709 413 059*	1	
Allen Wrench, 1/4"	0715 311 34*	1	

\* Not included in delivery scope with Art. No. 0703 412.
