

SUCTION LIFTER

With one hand and one-hand operation

- **Quick and efficient working**
thanks to one-hand operation and quick-locking feature
- **Also suitable for sensitive objects**
thanks to the low vacuum volume, i.e. thinner windows can be held without being damaged.
- **For holding smaller objects**
thanks to small suction head diameter

Lifting capacity/ Direction of force *	Weight	Suction disk dia.	Art. No.	P. Qty.
8 kg 	130 g	70 mm	0715 58 015	1

 *Vertically to suction disk
