

VICE-GRIP PLIERS

- Smooth-action release lever with spring mechanism.
One-hand operation – pulling instead of pressing.
- Lock nut for locking clamping width.
Constant adjustment for repetitive work steps.
- Ergonomic, attractive design.
Convenient, effortless use.

- High-quality epoxy coating.
Welding spatters hardly adhere.
Less rusting than with nickel.
10 times better rust resistance than a nickel coating.
Environmentally friendly.

With universal jaws

Total length in mm	Clamping jaw clamping width in mm	Art. No.	P. Qty.
200	0-40	0713 09 25	1
235	0-60	0713 09 26	1
300	0-60	0713 09 27	1

The combination of straight, semi-circular and convex jaw shape results in a broad range of clamping applications.
