

## Assembly Stool

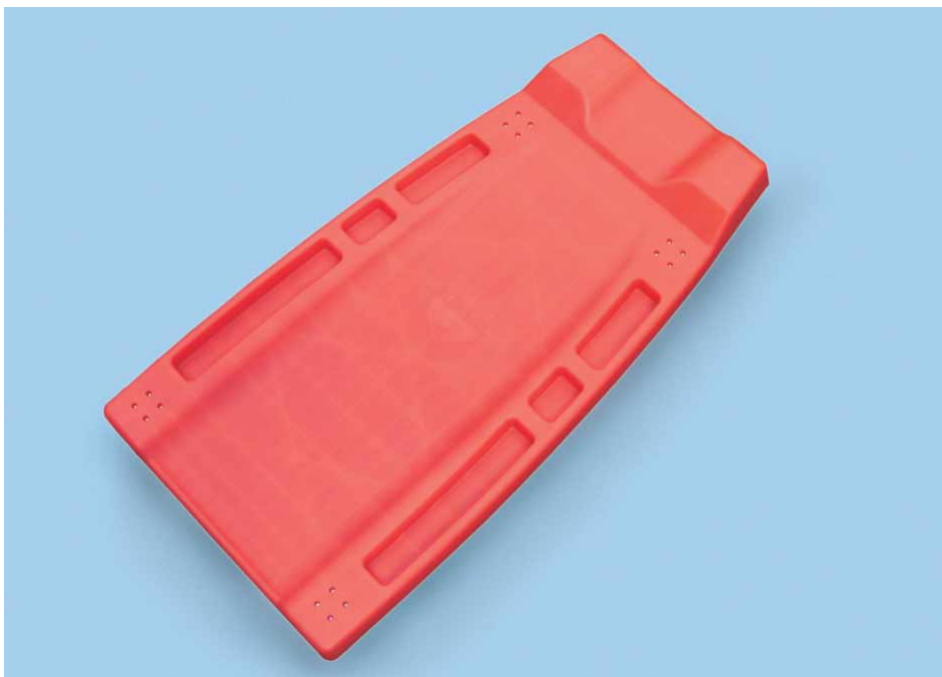

### With wheels

**Will make work in low positions easier (i.e. working on brakes and chassis).**

- Height adjustment infinitely (37 cm to 50 cm).
- Seat diameter 34 cm.
- Gas pressure cartridge support.
- 5 wheels (of which one can be locked).
- 2 shelves.

**Art. No. 0715 93 04**

Pack Qty. 1 pc.

## Crawler Board

**Made of very strong and shock resistant, fibreglass re-inforced plastic in modern design.**

- Resistant to oil, petrol, cold, heat and humidity.
- Anatomically shaped with raised head section for relaxation of neck muscles.
- Large and rotatable supported wheels for easy sliding.
- With 6 different size storage compartments for tools and small parts.
