

Aluminium wheel rim cleaner

Acidic special cleaner for light-alloy wheel rims

Contains phosphoric acid

Removes even the most stubborn brake dust deposits, as well as tar splashes and other difficult to remove contamination

Economical to use

- Saves time and money
- If used regularly, the original appearance is restored. The build-up of new soiling is prevented.

AOX and silicone-free

Chemical basis	Phosphoric acid, non-ionic surfactants
Smell/fragrance	Characteristic
Colour	Colourless
pH value/conditions	1/at 20°C
Density/conditions	1.14 g/cm ³ /at 20°C
Shelf life from production	24 Month
AOX-free	Yes
Silicone-free	Yes
Bio-degradable	Yes
Free of phosphoric acid	No

Contents	Container	Art. No.	P. Qty.
5 l	Canister	0890 102 05	1
500 ml	Spray bottle	0890 102	1/12

Details/Application

For gentle cleaning of light-alloy wheel rims

Instructions

Spray wheel rims to be cleaned fully and evenly. Particularly with stubborn dirt or rough surfaces, the cleaning effect can be increased by using the Würth hand brush or sponge. Do not exceed the application time of 30 seconds. With unpainted aluminium wheel rims, carry out a thorough material compatibility check in an invisible area.

Proof of performance

Notice

Use only on light-alloy wheel rims. Do not use on hot wheel rims or in direct sunlight. Do not spray on vehicle paint, chrome, highly polished aluminium, plastic or other surfaces.

The usage instructions are recommendations based on the tests we have conducted and are based on our experience; carry out your own tests before each application. Due to the large number of applications and storage and processing conditions, we do not assume any liability for a specific application result. Insofar as our free customer service provides technical information or acts as an advisory service, no responsibility is assumed by this service except where the advice or information given falls within the scope of our specified, contractually agreed service or the advisor was acting deliberately. We guarantee consistent quality of our products. We reserve the right to make technical changes and carry out further development.
