### Details/Application

All-season engine oil for modern petrol, diesel, and turbo passenger car engines with/without charge air cooling.

### Proof of performance

ACEA A3-04/B3-04, API SN, VW 501 01 / 505 00, MB approval 229.3

## Notice

Follow the vehicle and engine manufacturers' operating instructions for normal and extended oil changes.

The usage instructions are recommendations based on the tests we have conducted and based on our experience; carry out your own tests before each application. Due to the large number of applications and storage and processing conditions, we do not assume any liability for a specific application result. Insofar as our free customer service provides technical information or acts as an advisory service, no responsibility is assumed by this service except where the advice or information given falls within the scope of our specified, contractually agreed service or the advisor was acting deliberately. We guarantee consistent quality of our products. We reserve the right to make technical changes and further develop products.
