### Details/Application

State-of-the-art low-viscosity motor oil. Specially developed for the latest generation of petrol and diesel vehicles with service interval display and Longlife intervals.

### Proof of performance

ACEA A3-04/B4-04, API SL/CF, VW 502 00/505 00, OPEL GM-LL-A025/GM-LL-B025, BMW Long life-01, MB approval 229.3

Tested for turbochargers and catalytic converters

### Notice

Follow the vehicle and engine manufacturers' operating instructions for normal and extended oil changes.

The usage instructions are recommendations based on the tests we have conducted and based on our experience; carry out your own tests before each application. Due to the large number of applications and storage and processing conditions, we do not assume any liability for a specific application result. Insofar as our free customer service provides technical information or acts as an advisory service, no responsibility is assumed by this service except where the advice or information given falls within the scope of our specified, contractually agreed service or the advisor was acting deliberately. We guarantee consistent quality of our products. We reserve the right to make technical changes and further develop products.
