Details/Application

Latest low-ash, smooth-running engine oil. Especially formulated to ensure maximum service life of particulate filter.

Proof of performance

ACEA A1-04/B1-04/A5-04/B5-04/C2-04, API SM/CF

Würth also recommends this product for vehicles that comply with the following specifications:

Peugeot, Citroen, Honda, Toyota, Fiat 9.55535-S1, ILSAC GF-3

Notice

Observe the operating instructions of the vehicle and engine manufacturer for standard and extended oil change intervals.

The usage instructions are recommendations based on the tests we have conducted and based on our experience; carry out your own tests before each application. Due to the large number of applications and storage and processing conditions, we do not assume any liability for a specific application result. Insofar as our free customer service provides technical information or acts as an advisory service, no responsibility is assumed by this service except where the advice or information given falls within the scope of our specified, contractually agreed service or the advisor was acting deliberately. We guarantee consistent quality of our products. We reserve the right to make technical changes and further develop products.
