

## Adhesive lubricant HHS® 5000

**Extremely temperature-resistant, fully synthetic penetrating oil with PTFE**

### Reliable lubrication

- Gets into the areas where the lubricating oil needs to work (excellent creeping properties)
- Ideally suited for invisible lubricating points

### Reliable wear protection

- Contains PTFE solid lubricant
- Once the grease film has been torn off, the PTFE performs the lubrication (emergency running property)
- Permanent anti-skid protective film for high temperature loads

### Long-term effect for reliability

- Reliable and long-term protection against corrosion
- Does not oxidise (harden) up to +200°C, briefly up to +250°C
- No carbonisation residues

### Safe application

- Good compatibility with the majority of plastics, O-rings and X-rings
- Neutral behaviour with painted surfaces

**Resistant to spray water and salt water, weak acids and bases**

**Free from silicone, resin and acids**

Contents	500 ml
Chemical basis	Mineral oil
Oil basis	Synthetic hydrocarbons
Colour	Transparent
Min./max. temperature conditions	-20 to 200 °C
Shelf life from production	24 Month

**Art. no. 0893 106 3**

P. Qty.: 1 / 12

### Details/Application

Extremely temperature-resistant, fully synthetic penetrating oil with PTFE. Provides optimum LUBRICATION SAFETY in everyday use.

### Instructions

Shake can well before use. Thoroughly pre-clean the points to be lubricated with HHS® CLEAN, art. no. 0893 106 10. Then spray onto the cleaned surface

The usage instructions are recommendations based on the tests we have conducted and our experience; carry out your own tests before each application. Due to the large number of applications and storage and processing conditions, we do not assume any liability for a specific application result. Insofar as our free customer service provides technical information or acts as an advisory service, no responsibility is assumed by this service except where the advice or information given falls within the scope of our specified, contractually agreed service or the advisor was acting deliberately. We guarantee consistent quality of our products. We reserve the right to make technical changes and further develop products.
