

RECHARGEABLE LED HAND LAMP WL1 LED 3+1 W

Technical Data:

Min. colour rendering index (CRI)	80
Luminous flux (Main light)	600 lm
Luminous flux	600 lm
Luminous flux (Side light)	120 lm
Colour temperature	65000 K
Luminous period	6 h
Luminous period of main light	2.5 h
Luminous period of secondary light	10 h
Charging time	4 h
IP protection class	IP 54
IK impact resistance	IK 07
Nominal voltage	5 V/DC
Rechargeable battery/battery capacity	Li-Ion
Nominal voltage	5 V/DC
Length x width x height	340 x 52 x 41 mm
Art. No.	0827 940 383
P. Qty.	1
Included	USB charging cable and user manual

Notice: Li-Ion battery: 3.7V, 9.62Wh, 18650-2600mAh

Shadowless working LED hand lamp for narrow space.

Latest lithium-ion battery technology.

Short charging time, long light duration.

Slim light.

Shadowless 12cm long COB light source
Can be rotated 160°.

Slim design.

Luminaire head is just 8mm wide.
