

Perfect leather care

Maintains and protects smooth and synthetic leather

- High-quality leather care with UV protection
- Refreshes the leather and provides long-term protection against drying out
- Does not affect the natural appearance of the leather and does not make it greasy or sticky. With anti-squeaking additive for a supple, soft feel
- The grip technology with non-slip effect provides a secure hold - without sticking or leaving residues on leather parts
- With a subtle, fresh scent

P. Qty.: 1 / 6

Details/Application

Suitable for smooth and synthetic leather for vehicle interiors, leather furniture, leather clothing etc. Also suitable for perforated leather.

Instructions

After thoroughly cleaning the leather with Perfect leather cleaner, apply the lotion evenly using an application pad and allow to dry.

Notice

Not suitable for aniline leather or suede. Always care for contiguous areas. Do not use on hot surfaces! Protect from frost.

The usage instructions are recommendations based on the tests we have conducted and on our experience; carry out your own tests before each application. Due to the large number of applications and storage and processing conditions, we do not assume any liability for a specific application result. Insofar as our free customer service provides technical information or acts as an advisory service, no responsibility is assumed by this service except where the advice or information given falls within the scope of our specified, contractually agreed service or the advisor was acting deliberately. We ensure the consistent quality of our products. We reserve the right to make technical changes and further develop products. Please observe the technical data sheet!
